Our pool is a member owned and operated facility that exists for our collective use and enjoyment. In order to maintain a safe and enjoyable environment for the neighborhood as a whole, each member has a responsibility to adhere to and assist neighbors with the direction of our neighborhood's pool rules, which is adapted from Washington State Laws regarding Public and Private Pools. Please take a moment to read over and discuss them with each member of your family members.

The pool facilities are for the use of **Valhalla Residence Association** members who are currently in good standing as defined by the **Bylaws** that govern this neighborhood. The Pool Manager is responsible for distributing pool keys. A waiver of liability must be signed annually.
