

VISITORS WELCOME: This is Valhalla, 126-acre residential development planned one mile west of Bothell overlooking the Wayne Golf Course. The 420 homesites are on a hillside, above a country club campus and a yacht basin with moorage facilities which will be developed on the Sammamish River, the developer, Valhalla, Inc., announced. The tract will be

open to visitors today, K. A. Sanwick, president of Valhalla, said. The development firm is associated with Howard A. Parker's Picture Floor Plans, real-estate firm. Plans for the new community are by the architectural firm of Harmon, Pray & Detrich. The North Coast Construction Co. is the contractor. Street and lot planning are by J. David Jensen & Associates.
